

HOUSTONE  
SCHOOL

22<sup>nd</sup> June 2023

Dear Parents,

**Re: Year 10 GCSE Mocks**

I am writing to inform you about the upcoming Year 10 GCSE Mock Examinations. The exams will take place from 30<sup>th</sup> June 2023 to 6<sup>th</sup> July 2023 at Houstone School. The timetable is attached to this letter.

Mock exams are an important part of the GCSE preparation process. They give students a chance to experience the uniqueness of an exam environment and to identify areas where they need to improve. The results of the mock exams will also help teachers to target their support for students in the run-up to the real GCSE exams.

I would encourage all students to take the mock exams seriously as an integral part of GCSE preparation. They should start revising early and make sure that they are familiar with the format of the exams. There are a number of resources available to help students with their revision, and teachers have told pupils the format of each exam and the content they should revise. I have also attached a guide per subject for you to outline what will be in each exam.

I would also like to take this opportunity to ask for your support in helping your child to prepare for the mock exams. You can help by:

- Ensuring that your child arrives to school early and has a smooth start to their day.
- Encouraging them to start revising early.
- Helping them to create a revision timetable.
- Providing them with a quiet place to study

I know that the mock exams can be a daunting prospect for some students, but I am confident that our pupils will do well with the efforts they will put in.

Thank you for your support.

Yours sincerely,

Ms. English  
Principal
