UNIFORM GUIDE

At Houstone School we believe that all pupils should wear a traditional school uniform with pride. Families are asked to support this by ensuring their children come to school in perfect uniform every day. Our uniform was designed to be smart, durable and cost-effective.

There are selected items which can be purchased from a variety of retailers, with the remainder available from our local school uniform supplier (Bestlook, based in Dunstable). We ask that you donate any uniform no longer required to the school. This will allow us, in time, to offer second-hand items for sale.

We have provided extensive guidance in this document to help families avoid mistakes when buying school uniform. If in any doubt, please contact the school for guidance before making any purchases.
